45 minutes (27 miles) north east of Leeds/Bradford Airport. 30 minutes (15 miles) from Harrogate

Directions taken off the Newby Hall website

B2 - Entrance Plan

Parking Layout

The parking area includes trees limiting the area to 118 display cars max. If you are with a group of more than 10, you will have an allocated parking place. It will have a sign attached to one of the marker posts—otherwise, park in an unmarked spot around the edge of the section.

The Orange strips are space to allow people to put chairs out. They will be marked out with two poles and barrier tape. Cars are meant to be boot-to-boot parking.

Directions

When you arrive at the main show field entrance. Please stick to the left side of the road when past the show field gate.

Continue on the main straight towards the house. About 2/3rds down this road on the left is the B2 Entrance.

Gazebos If your group is ten or more, the space on your stand will include the Gazebo space. If you are in a smaller group, please put your Gazebo in a suitable place that does not block traffic flow.

BBQs must be off the ground; low or tin tray BBQs are not allowed as they damage the grass. Hot ash should never be placed in the rubbish bins.

Tidy up. It will have been a long day for the SCITP team. So please tidy up after yourself, there will be enough bins.
